**Subject:** Field Schedule- USGS water levels Haskell Lake Area Petroleum Conatamination Site

Good Morning Sherry,

I received your voicemail from Friday at 3:36 and understand that Kozak's have agreed to property access for collection of water level data by USGS. I also understand, more detailed scheduling information is needed.

USGS is expected onsite on Wednesday, March 1<sup>st</sup> around 10am. I will keep you apprised if anything changes between now and Wednesday's scheduled event.
